

Palomar Club Chair - Brown

SKU: PLO-B1001

This transitional collection utilizes sophisticated lines and a half-round weave that is traditional. Broad, low arms provide perfect perches for your beverages or snacks. Plush cushions bring comfort and softness to the collection. The lighter stained wicker, with its cool grey and warm brown tones, has a characteristic of a chameleon that blends with many finishes in a room, often causing color variations in our photo images.

Product Details
