

Riviera Geo Sectional Corner - Grey

SKU: GEO-GWCOR

The Riviera Geo Corner Chair can stand alone or combine with any of the modular pieces from this collection to create a striking sectional. This is one of our most popular and versatile deep seating pieces. The potential for customization and impact in a room is limitless with these pieces. This versatile collection is light-weight, durable and easy to clean. Plush, high-quality cushions provide the most comfort and resistance.
